Cut pattern out of felt
without a seam allowance.

cap underside 3 x white

stem 1 x white

1. Make a running stitch around the cap edge, pull it so that the cap underside fits just underneath.
2. Blanket stitch the underside under the cap top and put a little wool in between.
3. Embroider white dots on the cap tops.
4. Fold the stem double, put a pipe-cleaner in between and blanket stitch it closed.
5. Sew the stem under the middle of the cap.
6. Sew or glue the mushrooms in the little basket.
